Paragraph II – Modes of Cooperation

Modes of cooperation may include, but are not limited to:

- **Sharing results and feedback** from the CLAIM model testing and piloting phases in the six EU countries.
- Promoting **information exchanges, awareness-raising campaigns, workshops, and dissemination events** to ensure the usability and outreach of CLAIM outputs.
- Supporting the **adoption and integration of the CLAIM model and tools** within the Parties' own networks, training systems, and HR management practices.
- Exploring further joint initiatives to **extend AI-based training needs analysis to other sectors and target groups**.

Paragraph III – Effect and Duration of the Memorandum of Understanding

This Memorandum of Understanding takes effect on the date of signature and will remain valid for a period of **three years**, unless terminated by either Party by giving the other Party written notice at least three months in advance.

Paragraph IV – Applicable Law

This Memorandum of Understanding does not constitute an international agreement that may lead to rights and obligations under international law. No provision of this Memorandum is to be understood and performed as a legal or financial obligation or commitment of the Parties.
